

Assembly & Care Guide

Lantern Pendant, Large

The Lantern Pendant is carefully handcrafted and therefore every item is unique. It may occur different expression in the material and surface, with smaller marks and minor deviations.

SAFETY INSTRUCTIONS

Please read the instructions carefully and retain it for future reference. **New Works Aps** is not responsible for any faults or damages caused by not following the instructions correctly.

Turn off electricity at main circuit breaker panel before beginning the installation. Warning all wires are connected - when unpacking the box, be careful not to pull wires, as this may result in a bad connection.

Different Ceiling materials require different types of screws and plugs, always use screws and plugs that fits the ceiling material.

Follow the guidance **220-240V~ 50/60Hz, E27 Max 60W / LED Max 11W** (Bulb not included)
The light bulb and lamp exterior may get hot after prolonged use.

Turn off the power before replacing the bulb. Make sure the bulb has sufficient time to cool down. Do not subject the lamp to any shock as this may cause the lamp to brake.

Keep the product out of children's reach. Dispose the packaging and do not allow children to play with it. Do not modify the product in any way.

CLEANING

Turn off the electricity before cleaning the lamp. Wipe the lamp exterior with a soft dry or moist cloth. Do not use any abrasive cleaning tools, and never use strong cleaning agents such as household glass cleaner, white spirit or turpentine.
